Merlin ...!

You passed out!
...Oh, yeah.
TRMBL

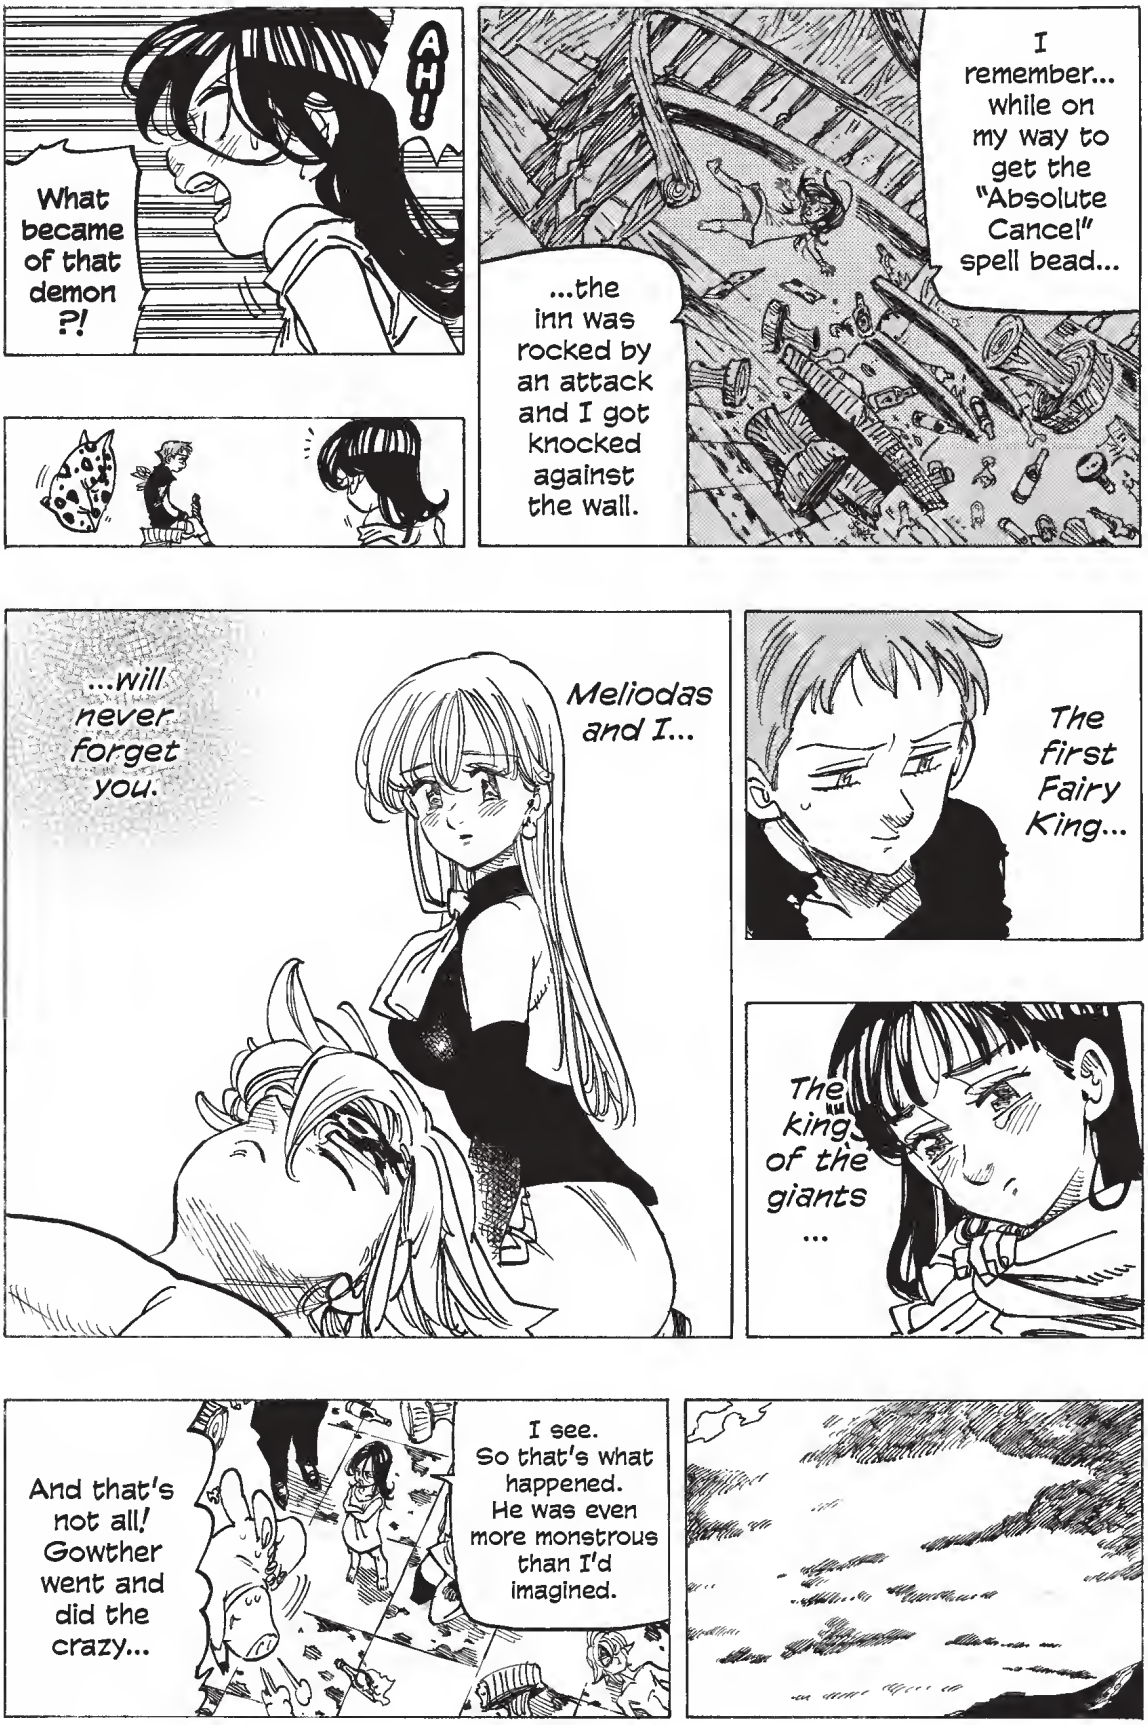
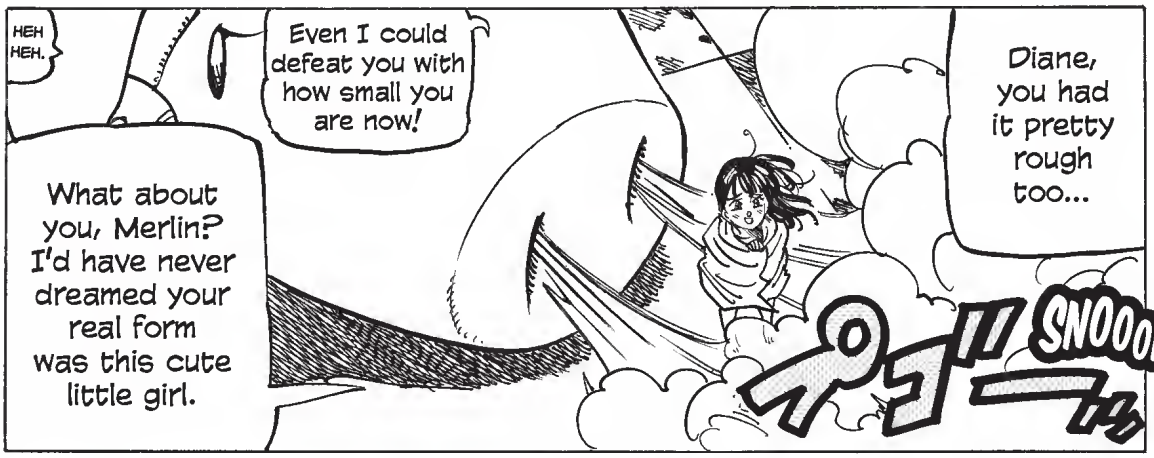
What... happened to me?
SMILE
You're awake!
Sis... sy?

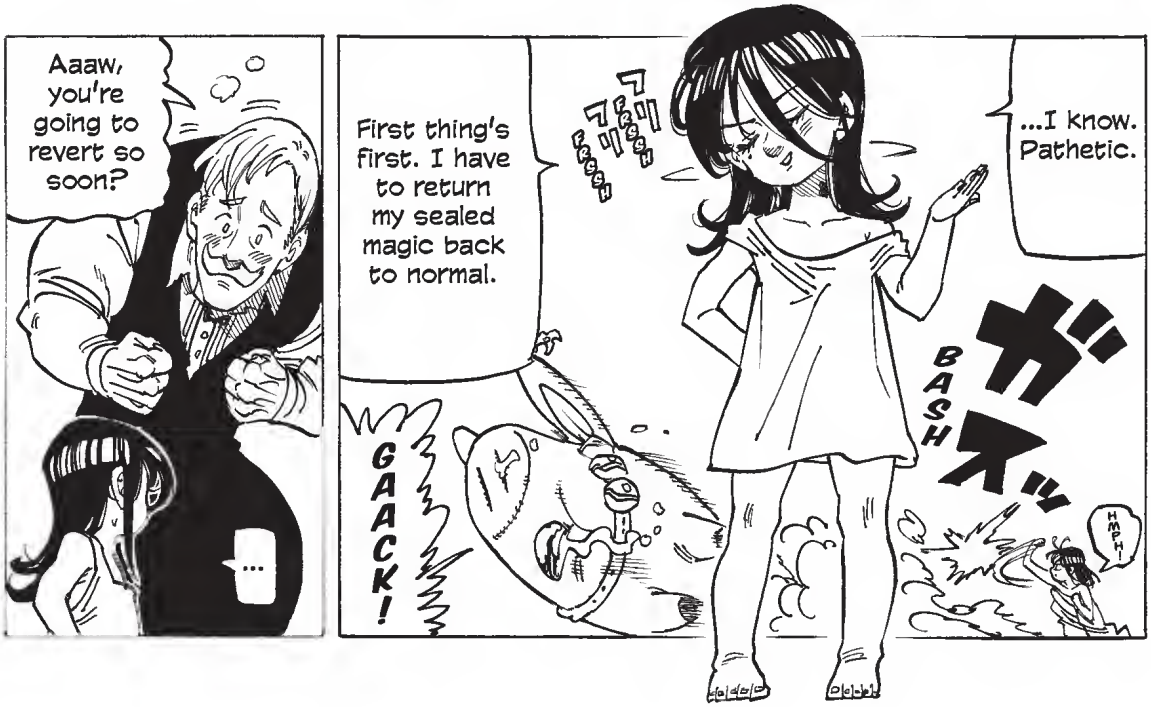


Ah!
What became of that demon?!
I remember... while on my way to get the "Absolute Cancel" spell bead...
...the inn was rocked by an attack and I got knocked against the wall.
...will never forget you.
Meliodas and I...
The first Fairy King...
The king of the giants ...
And that's not all! Gowther went and did the crazy...
I see. So that's what happened. He was even more monstrous than I'd imagined.

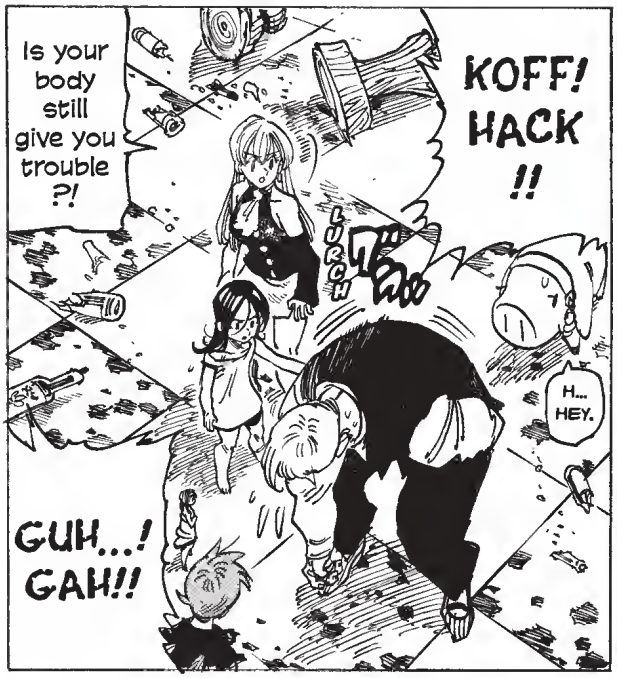
If he were a human, he'd have died on the spot.
He tried to defy "Absolute Order"?! What a ridiculous stunt to pull!



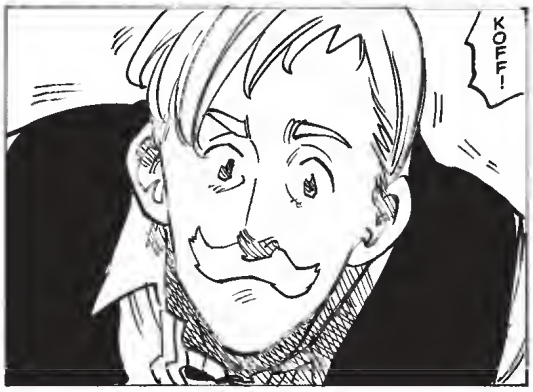
HEH HEH.
Even I could defeat you with how small you are now!
Diane, you had it pretty rough too...
What about you, Merlin? I'd have never dreamed your real form was this cute little girl.
SNOOOINK



Aaaw, you're going to revert so soon?
...
First thing's first. I have to return my sealed magic back to normal.
FFFSSH
GAACK!
...I know. Pathetic.
BASH
HMPH!



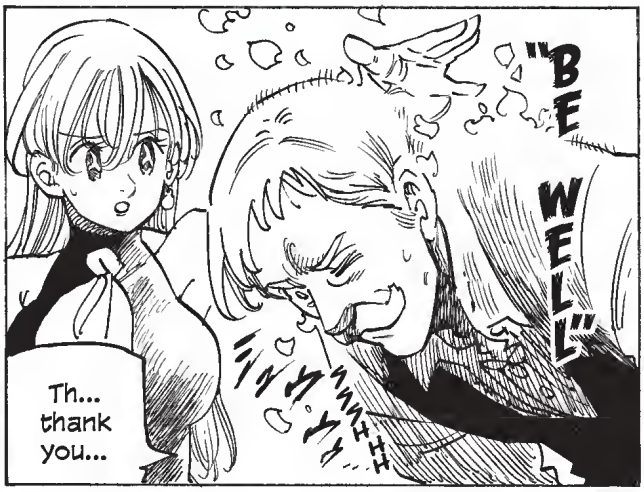
Is your body still give you trouble ?!
KOFF! HACK !!
LURCH
H... HEY.
GUH...! GAH!!



KOFF!

Escanor ...what is it?

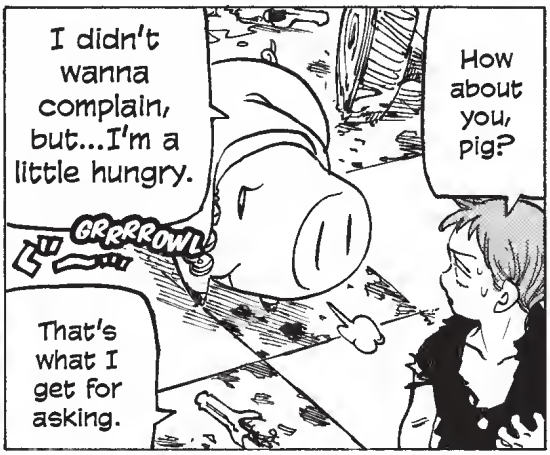
Yeah... Something's wrong with the air.
I might be imagining things, but I don't feel so good...
KOFF



"BE WELL"
Th... thank you...

...
THE SOURCE IS CLEAR.

...!



I didn't wanna complain, but...I'm a little hungry.
How about you, pig?
GRRRROWL
That's what I get for asking.

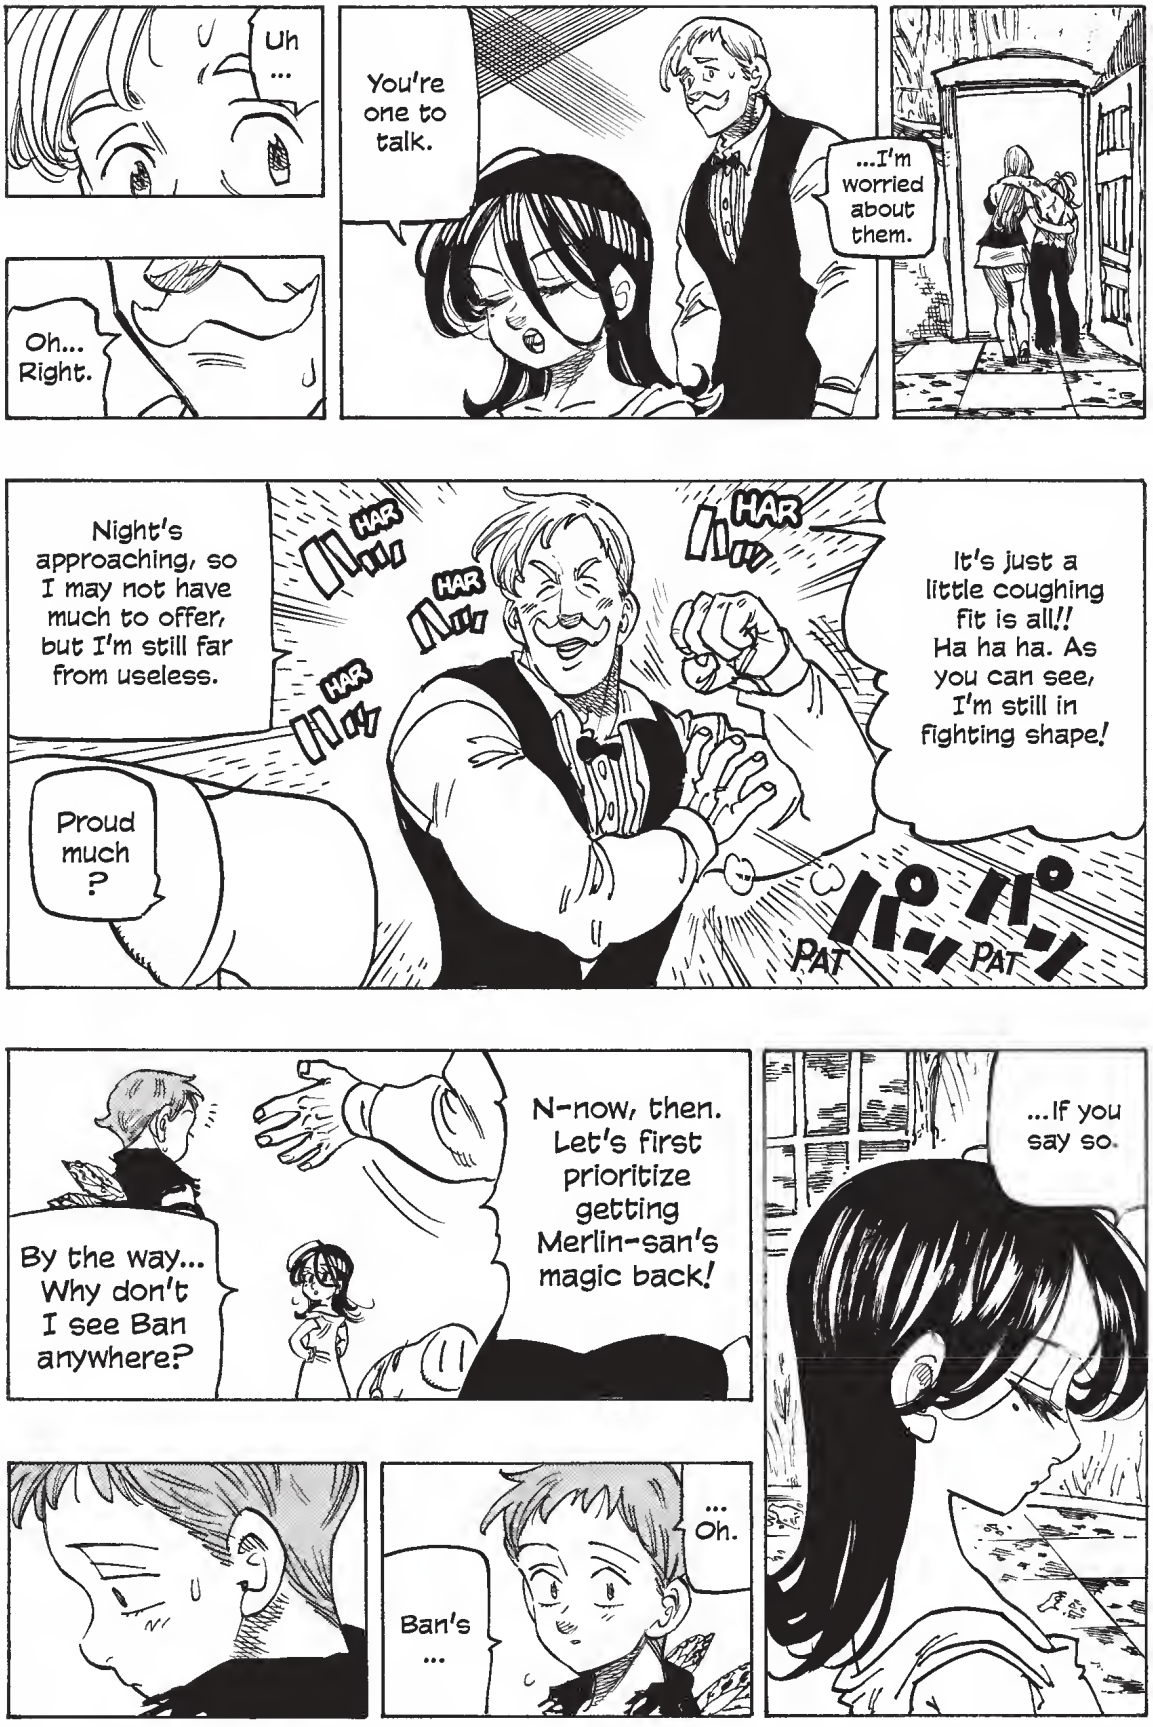
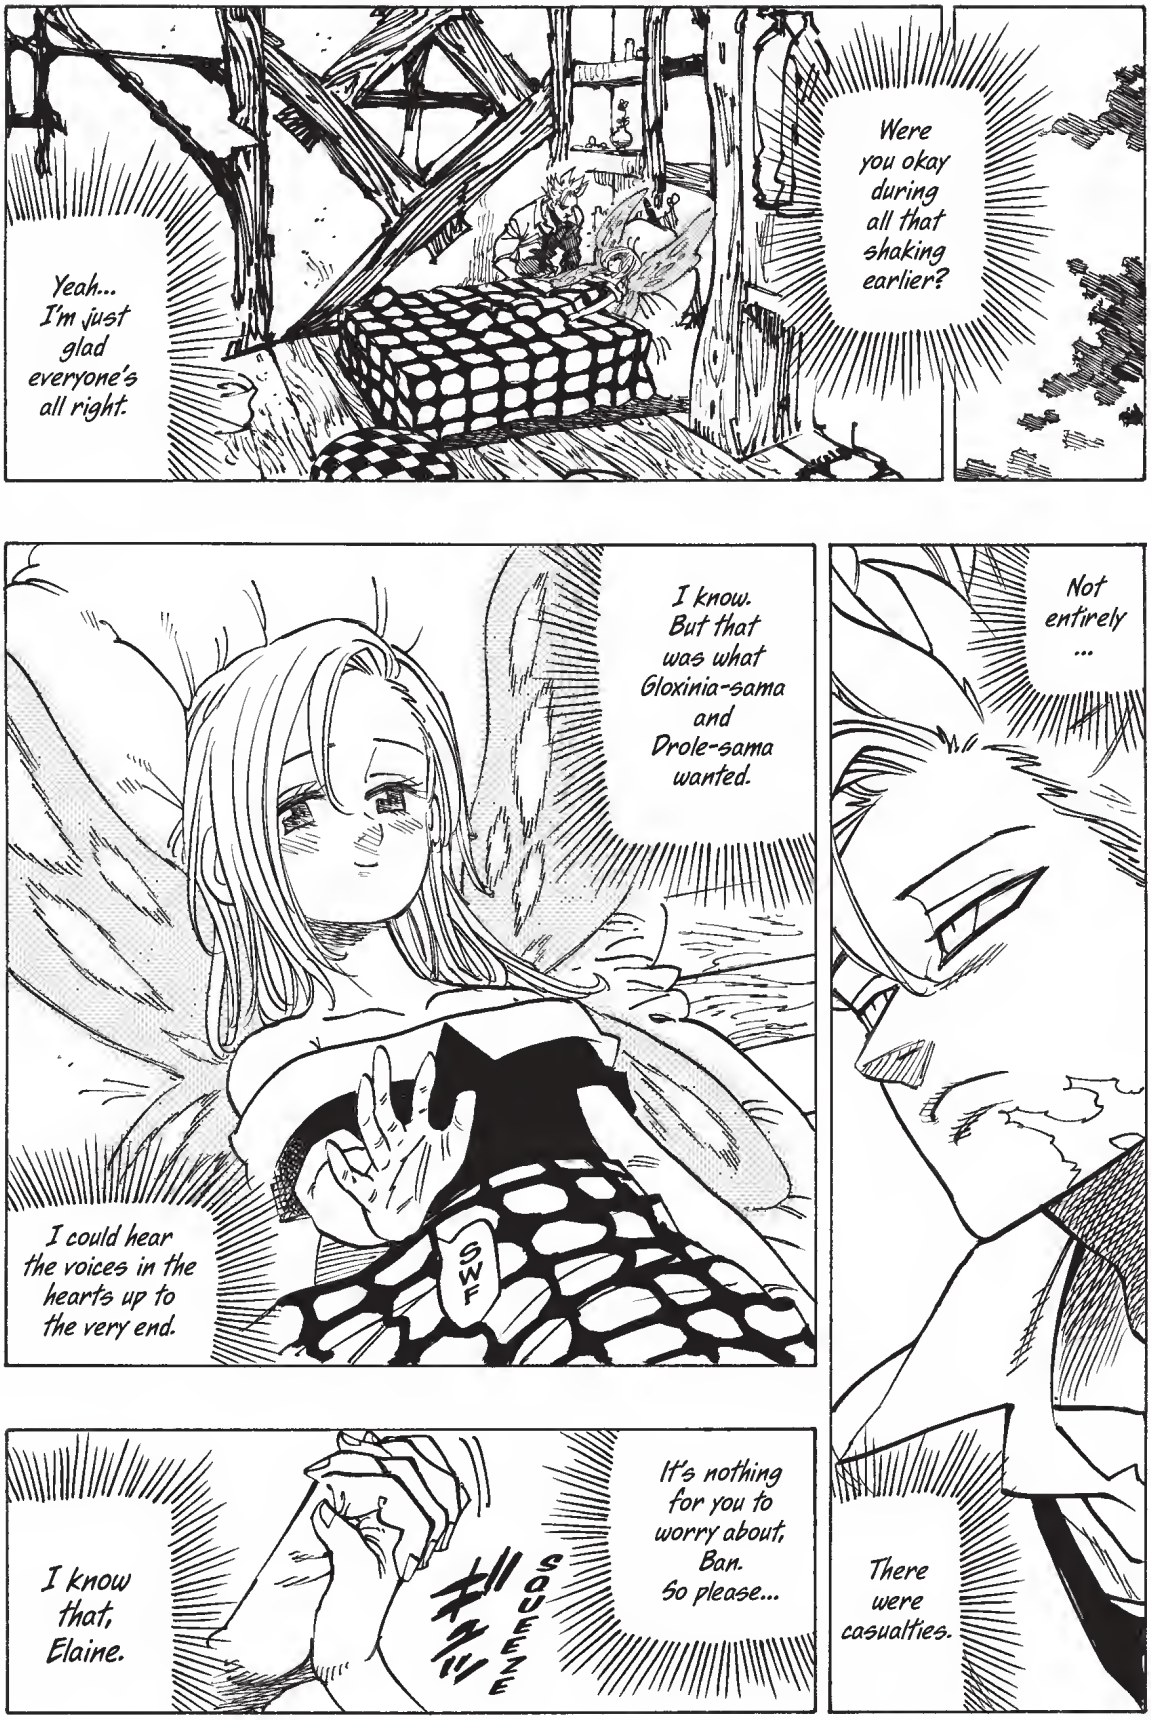
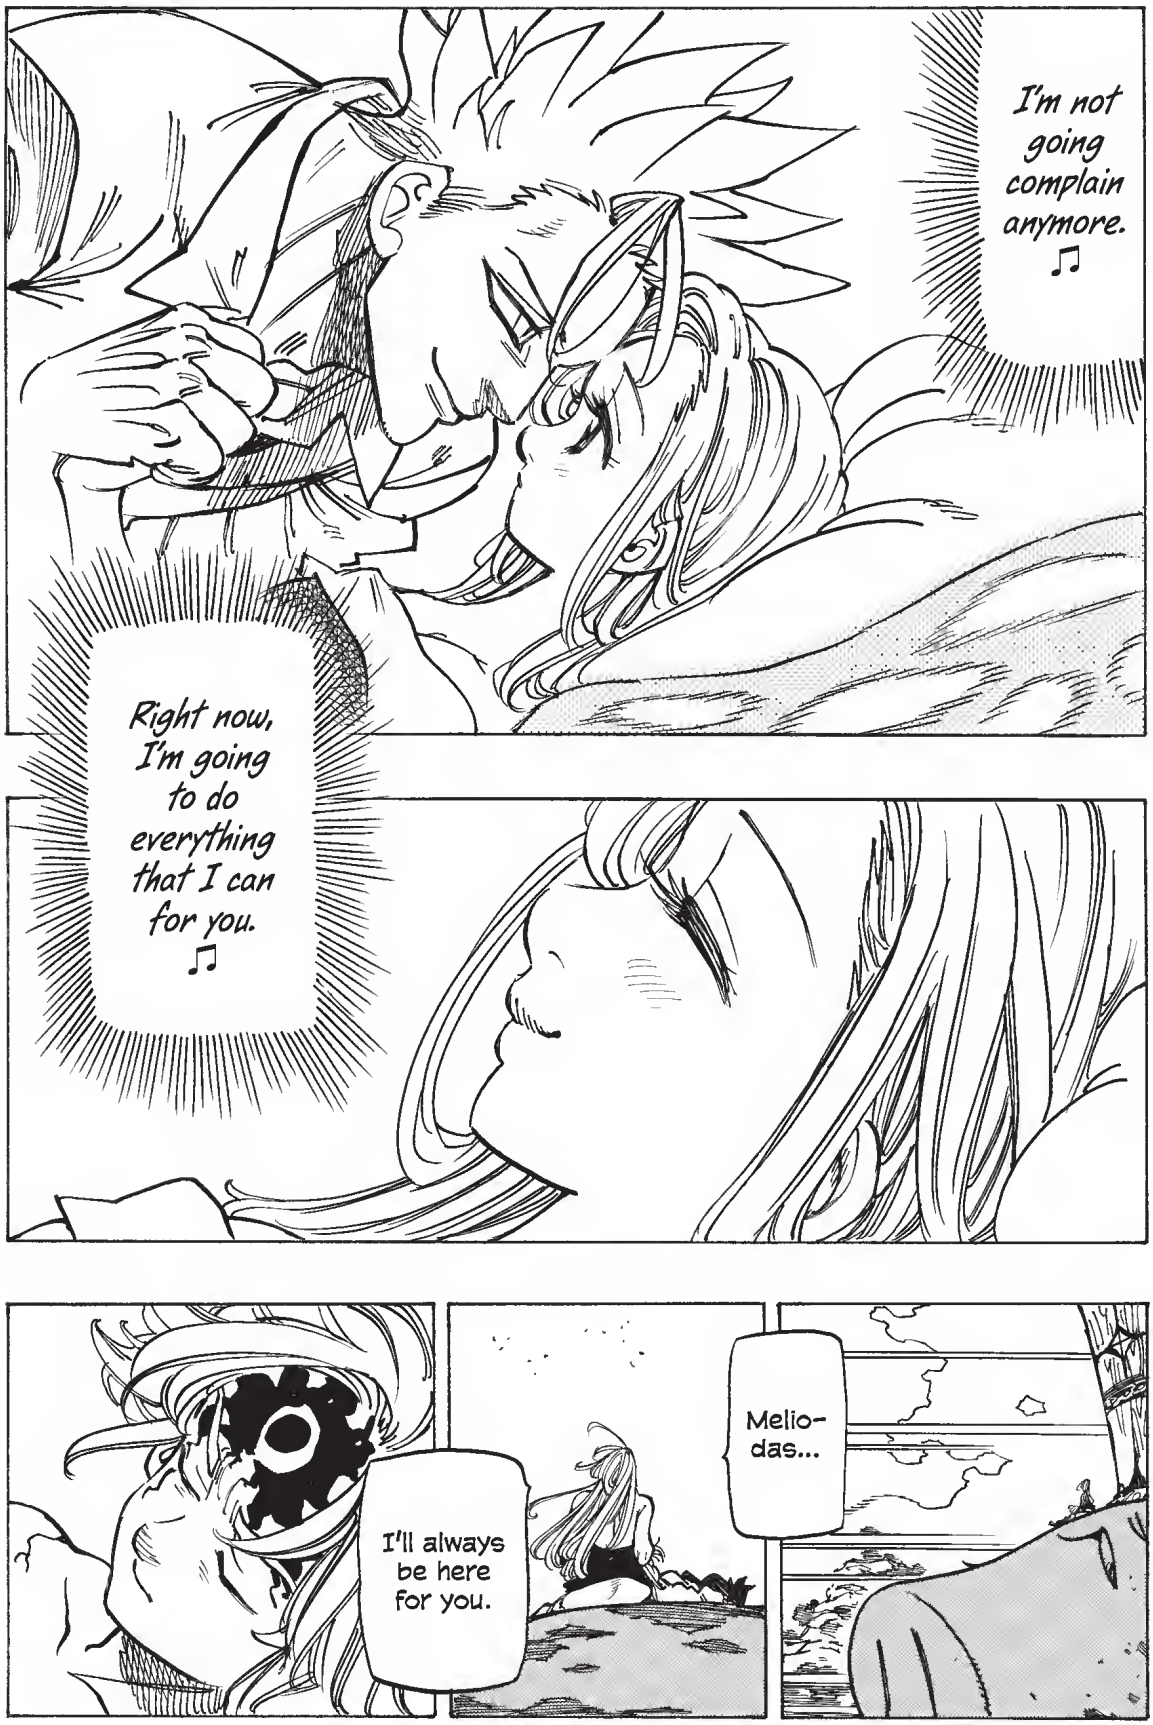
The vapors being released by Meliodas...
...His negative energy growing stronger by the minute!
I'm sorry. We're going to get some fresh air.
SWF
It's not his fault!
DASH



Uh ...
You're one to talk.
...I'm worried about them.
Oh... Right.
Night's approaching, so I may not have much to offer, but I'm still far from useless.
HAR
HAR
HAR
HAR
It's just a little coughing fit is all!! Ha ha ha. As you can see, I'm still in fighting shape!
Proud much ?
PAT
PAT
By the way... Why don't I see Ban anywhere?
N-now, then. Let's first prioritize getting Merlin-san's magic back!
...If you say so.
... Oh.
Ban's ...



Were you okay during all that shaking earlier?
Yeah... I'm just glad everyone's all right.
I know. But that was what Gloxinia-sama and Drole-sama wanted.
I could hear the voices in the hearts up to the very end.
SWF
Not entirely ...
There were casualties.
It's nothing for you to worry about, Ban. So please...
SQUEEZE
I know that, Elaine.

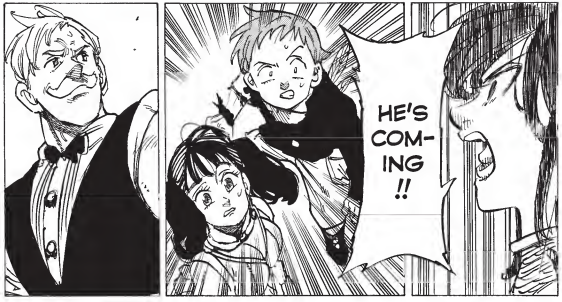


I'm not going complain anymore. ♫
Right now, I'm going to do everything that I can for you. ♫
Melio-das...
I'll always be here for you.

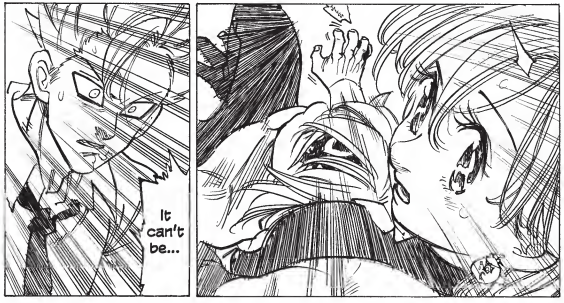
What do you say, Merlin-san? Shall King and I tidy up?
SMILE
SMILE
Finally found the spell bead. Good grief. All that commotion earlier has made a wreck of the place.
Isn't there any thing fun around here?"
SNONK
SNONK
Would you quit using my Divine Treasure as a washcloth ?
Well, well. What are these test tubes?
Gowther... You'll get better, I just know it.

Anyway, let's hurry and come up with a plan of how to defend against Chandler!
What about first evacuating the Captain and Elizabeth somewhere else?!
SNIFF SNIFF
We should still have some time before he catches up to us!
CRUNCH
GRRRKKK

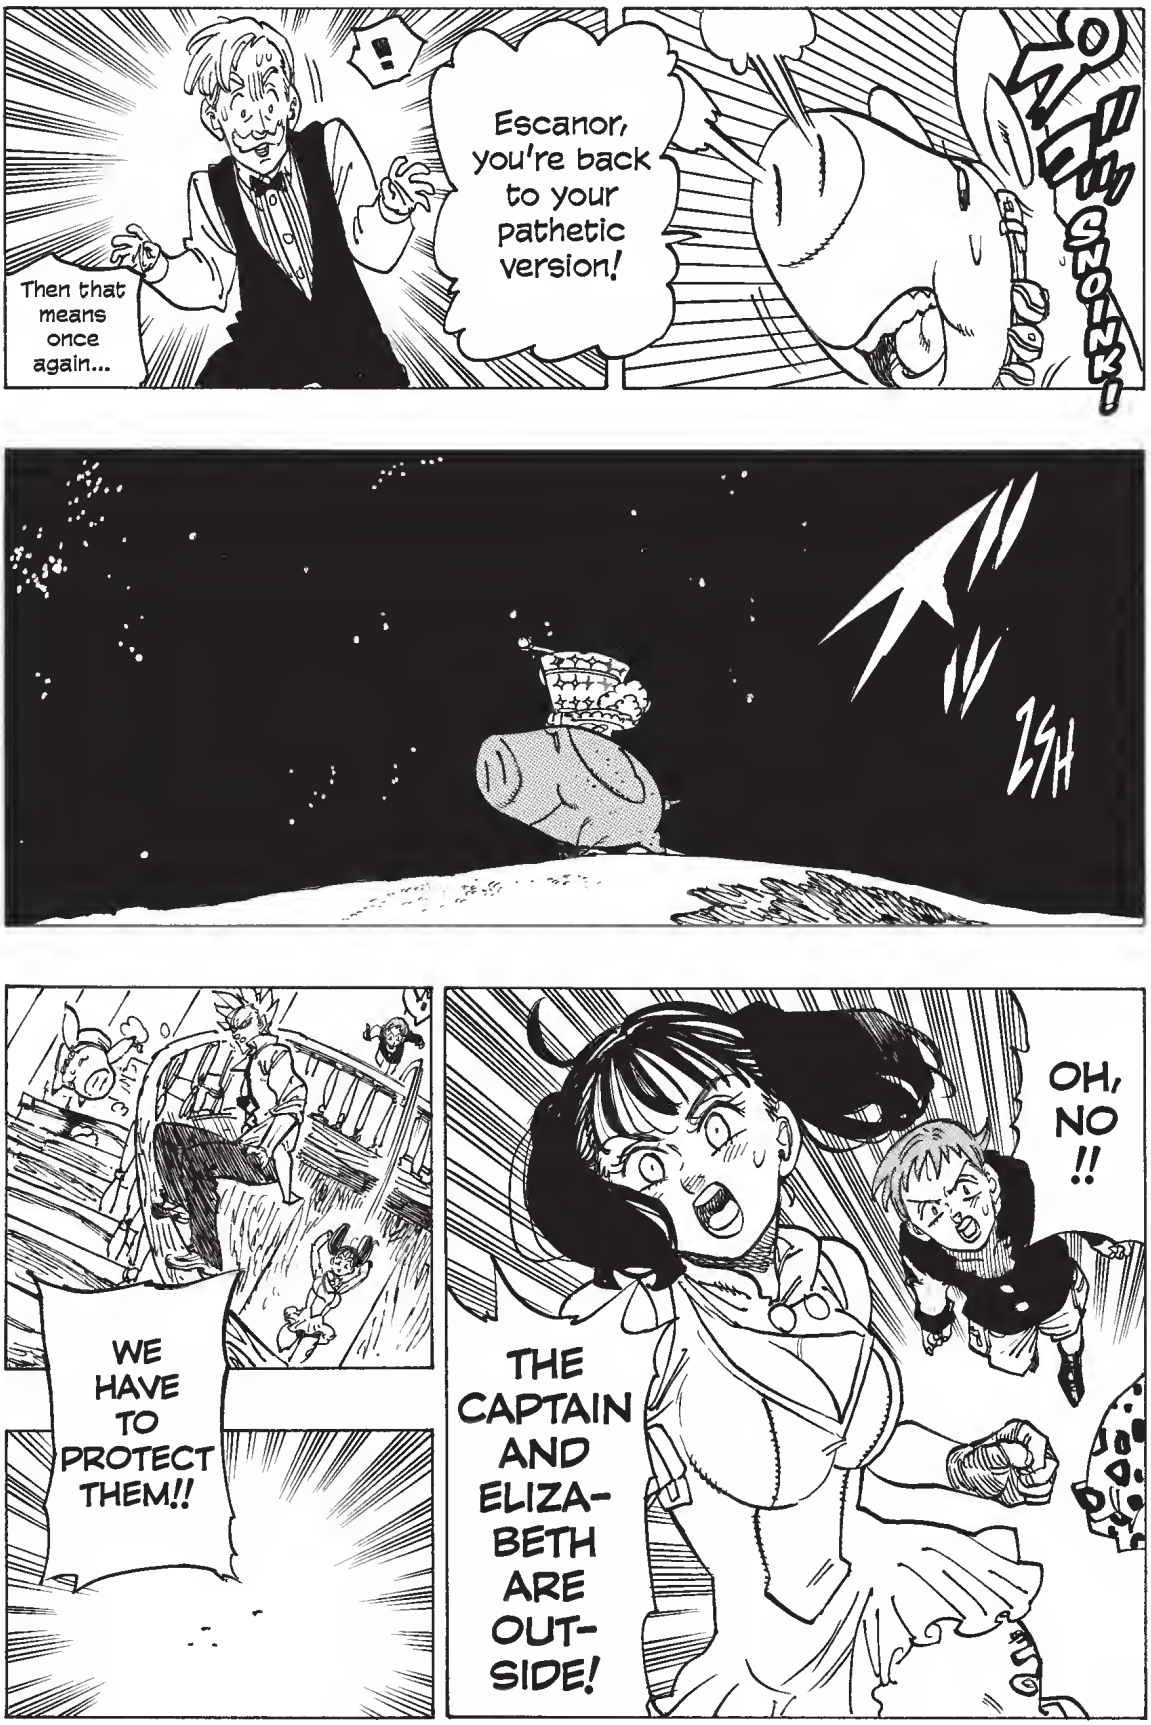
BOOSH



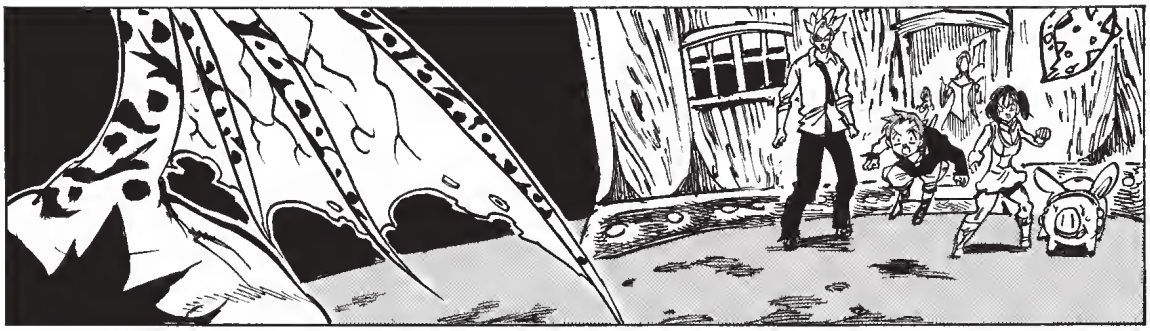
HE'S COM-ING !!

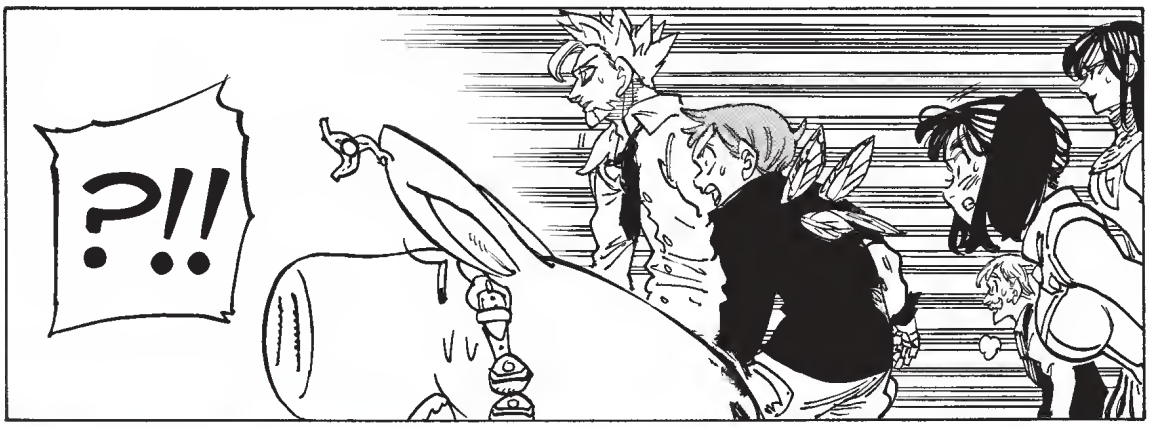


It can't be...



Then that means once again...
Escanor, you're back to your pathetic version!
OINK!
ZSH
WE HAVE TO PROTECT THEM!!
THE CAPTAIN AND ELIZA-BETH ARE OUT-SIDE!
OH, NO !!

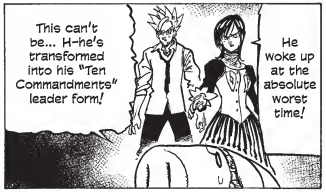




?!!

OO-
OU-
GH
...!!

OOH
...



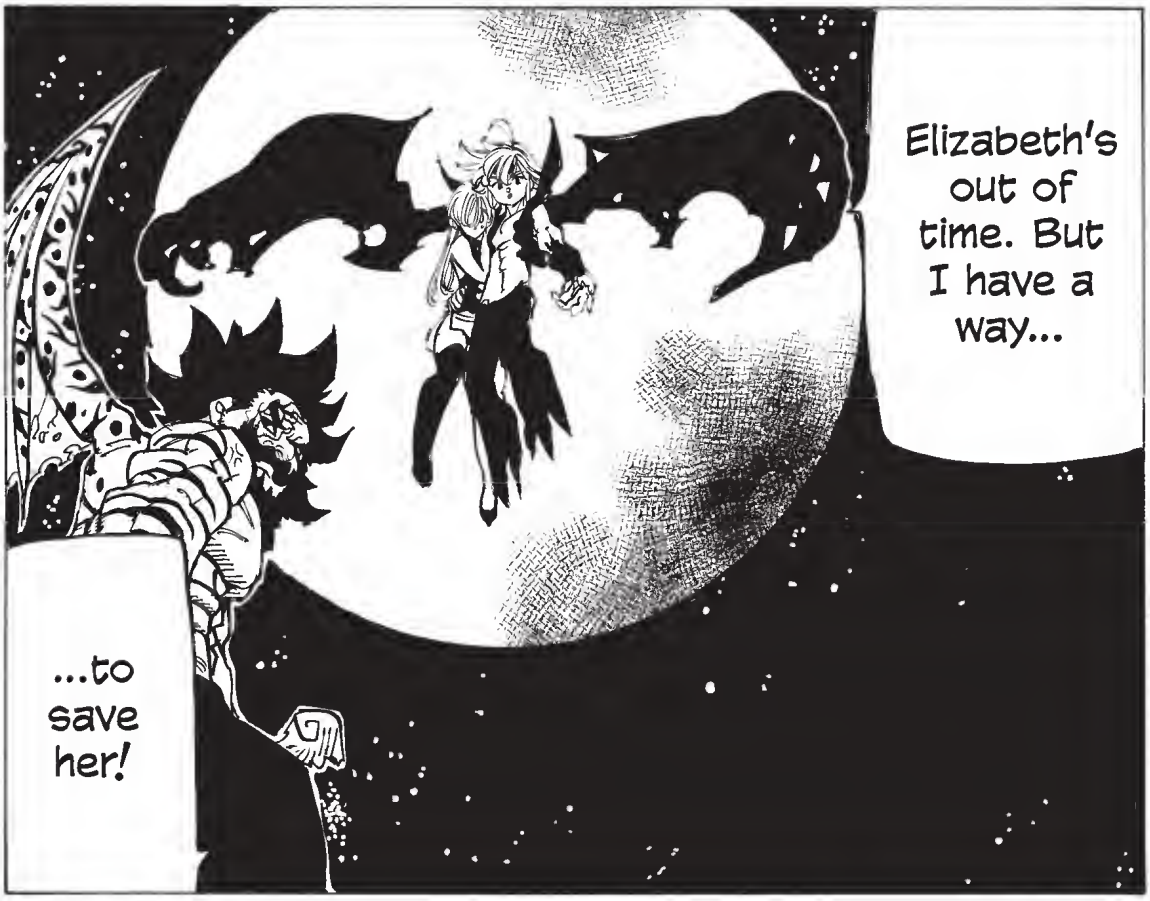
This can't be... H-he's transformed into his "Ten Commandments" leader form!
He woke up at the absolute worst time!

NO! YOU'RE PART OF "THE SEVEN DEADLY SINS"!
THE DRAGON SIN OF WRATH MELIODAS !!

FLAP
FLAP

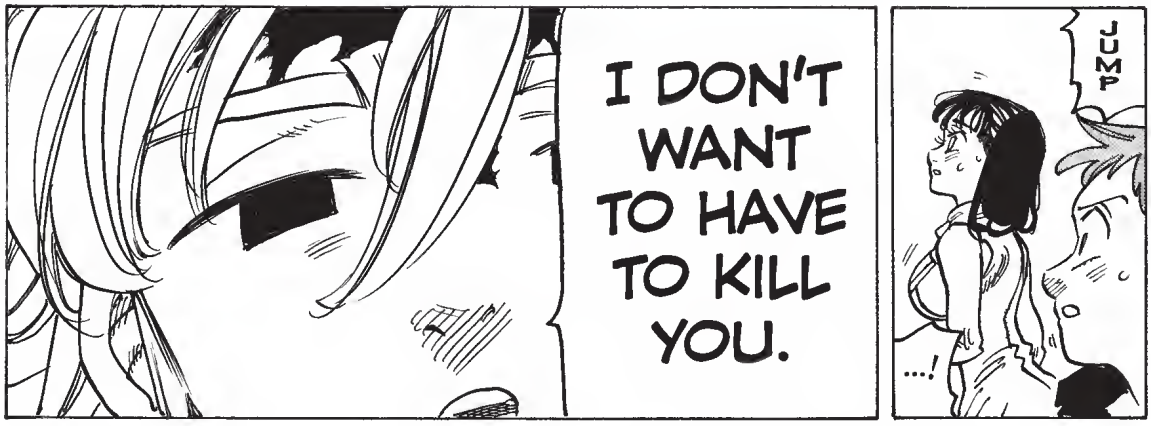
WEL-COME BACK HOME! MASTER MELIO-DAS!

You were all my valued friends.
Ah, yes... Ban, I remember everything.
It's just like last time...
No... I know this feeling.
Were... his friends?
PHEW!
W-what gives, scaring us like that.
Wait! What are you going to do to Sissy?!
Master... You can't mean to bring that girl with you too?!
She's coming with us...and I'll hear nothing to the contrary.
Chandler, show me to Zeldris.



Elizabeth's out of time. But I have a way...
...to save her!

Sorry, but this no longer concerns you.
A way to save Elizabeth?! Th-then, Captain, let us help—



I DON'T WANT TO HAVE TO KILL YOU.
JUMP
...!
